

Bull Breeding Soundness Workshop 2016

10.5
CVE CREDITS

Wednesday 27th July 2016
Citywest Hotel, Dublin
09.00am - 6.00pm

This course deals with bull selection and management and bull breeding soundness examinations. There is a practical aspect which will take place on a local farm and will allow every delegate the option to collect and evaluate from one bull. Places are limited to 12 delegates, early booking is advisable.

Successful completion of the course will reward participants with **10.5 CVE Credits** in one single day.
