

Clinical Director – Church Walk Veterinary Practice, Ulverston, Cumbria UK

Due to the relocation of our current Clinical Director we are looking for a highly motivated individual to join our team.

We are ideally looking for a veterinary surgeon who works to excellent clinical standards, is enthusiastic and passionate about veterinary medicine and will drive the practices forward both clinically and commercially in the role of Clinical Director. You will need to be an excellent communicator that can dynamically lead a clinical team, whilst being instrumental in strategically planning, facilitating and delivering regulatory compliance across all practices.

Not only will you be based within an outstanding part of the country, you will be working within a well-equipped practice with Doppler Ultrasonography, Video Endoscopy, Digital X-ray, in-house lab including Endocrinology, Electrocautery and Orthomed kit.

You will also enjoy access to our benefits package which includes: Ongoing CPD tailored around your skills and interests, private healthcare cover, competitive salary and bonus scheme, pet discounts, access to our Sharesave scheme, cycle to work scheme, discounted membership at over 2,000 participating health clubs.
