

Veterinary Ireland

HEALTH AND SAFETY MANAGEMENT For Veterinary Practitioners and Veterinary Nurses

Workshop 2015

Wed 29th July 2015 - Hodson Bay Hotel, Athlone

9.00am—6.00pm

Veterinary Ireland in collaboration with Gerard Gilligan MVB MRCVS present a one day Workshop course on Health and Safety Management specifically written for the Veterinary profession (including the State Veterinary Service) and the Veterinary Nursing profession.

The aim is to equip participants with sufficient knowledge and confidence to enable them to promote a culture and awareness of H&S issues within their own business and within the wider farming community.

11 CVE Credits available for this one day event!

Early booking is highly advisable as this is a workshop based course and numbers are limited. Registration Form attached.
