

Whitehouse Veterinary Clinic

Small Animal or Mixed Vet Required

An opportunity has arisen for a full-time or part-time Registered Small Animal or Mixed Vet to join our existing team. Your role will be busy and varied, incorporating all aspects of Small Animal Veterinary. Your typical weekly working hours are 5 days per week between 08:30-5:30 but we would be interested in part-time applicants also. Experience not essential and new grads welcome.

We work in a beautiful part of the country covering the Counties of Derry and Donegal. Easy access to Belfast and Dublin and within 1.5 hours of the North Antrim Coast. We benefit from an engaged, loyal client base resulting in the potential to make a real difference and the job satisfaction that brings. We have a newly refurbished hospital, top of the range equipment, plus the use of software and the opportunity to develop your skills in this area.

Applicant Requirements

We are seeking a friendly, enthusiastic, dedicated Registered Veterinarian with post qualifying experience to deliver the highest standards of patient and client care. You will demonstrate experience of working as part of a team, have good communication skills, have the ability to work in a busy environment and multi-task.
