

**We seek a positive, pro-active clinician to join our happy team of 7 vets in an RCVS accredited practice.**

- Working across our 3 branch practice located on the beautiful Somerset levels and Quantock/Blackdown hills with access to the Jurassic coast ensuring a favourable work/life balance with the historic towns of Bath, Exeter and Bristol within easy reach
- Start date as soon as possible, flexibility possible
- Salary competitive – rising with experience, reviewed after 6 months
- We have vast experience training new graduates an offer unrivalled support for dedicated team members

**Benefits include;**

- Out of Hours 1:6 rota (which is quite often quiet, dependent on season)
- 25 days holiday per annum plus the 8 bank/public holidays
- Company vehicle & equipment provided
- A dedicated TB testing team ensures clinical exposure in a dairy area with plenty of beef/calf work and an expanding sheep client base
- Possibility of contribution towards re-location costs
- Support and freedom to focus on areas of interest using our great CPD opportunities and training in house, via VetPartners and £1000 external CPD allowance
- Health Shield private insurance - Health Shield offers a variety of benefits, including wellbeing support, with 24/7 counselling (including face-to-face) and support helplines. Health Shield also provides discounts on shopping, days out and holidays
