

Killaloe Veterinary Clinic, part of XLVets Ireland, has a position for a mixed practice veterinary surgeon to join our young expanding team on the Clare Tipperary border overlooking picturesque Lough Derg.

This will be a full-time position. Though part-time applications will be considered Large animal included dairy, beef, suckler and ovine work, with a wide variety of clinical work. Vibrant small animal practice with interesting case load for both medicine and surgery. Routine clinic times operated by appointment. Usual bloods, U/S, digital Xray etc. Standard rota 1/3 but expands to shared 1/6 weekend rota.

Suitable candidate should have a degree registered with VCI and be ERAD compliant, experience not required but enthusiasm is essential. CPD encouraged and supported as well as access to XLVets graduate program. Remuneration dependent on experience. Package includes VCI, VDS and veterinary Ireland subscriptions and a 4x4 vehicle is available if required

XLVETS
Excellence in Practice
