

Chanelle Pharma is Ireland's largest indigenous generic pharmaceutical manufacturer of both medical and veterinary products. The company is on an ambitious growth trajectory and expanding its workforce across a number of disciplines.

We have a vacancy for a Veterinary Surgeon, preferably with 3 to 4 years' experience in a veterinary practice, for our Pharmacovigilance Department in Chanelle Pharma, Loughrea, Co. Galway. The role will also provide an opportunity to get involved in the Veterinary Regulatory Department.

Please submit your CV by 4th January 2021 to clyons@chanellegroup.ie and visit our website www.chanellepharma.com for more details. Chanelle Pharma is an equal opportunities employer.
