

### **Veterinary Nurse Required**

Veterinary nurse required to join a long standing independent veterinary hospital. We are looking for an experienced veterinary nurse to join our night team.

We are seeking a night owl to provide inpatient care to our hospitalised patients and assist with any emergencies that may come in through the night. We cover the hospitals out of hours and our two other branches. We have a hugely varied caseload offering plenty of hands on nursing enabling your knowledge and clinical skills to be utilised. This is a non sleeping position. Vets take the OOH phones.

The position ideally would be 7 nights on and 7 nights off but other shift patterns could be considered providing a great work life balance. We are based in Saffron Walden on the Essex/Cambridge border providing great links to London and Stansted airport.

#### **Benefits**

- RCVS and VDS fees paid.
- Generous CPD allowance and certificates can be supported.
- Competitive salary
- Company pension scheme
- Opportunities to progress within the company
- Great discounts on own pet vet care
- Accommodation available if required.

Please contact us for more details: [headnurse@mercerandhughes.co.uk](mailto:headnurse@mercerandhughes.co.uk)

Salary: £26,000.00 to £32,000.00 /year
