

Small Animal Vet and Veterinary Nurse required at our Port Vet Clinic

Port Clinic is a progressive, friendly and dedicated small animal practice based in Portlarlinton, Co. Laois. The practice is part of multi-site, mixed practice based in Tullamore and Portarlinton.

Small Animal Vet

We require a full-time Small Animal Vet, to lead a dedicated and professional SA team. Working as part of a friendly and experienced team, you will have access to the latest diagnostic equipment. The ideal candidate will have a passion for veterinary best practice with a dedication to the health and welfare of our patients. You should have excellent communication skills and enjoy both working independently and as part of a team. Experience preferred but not essential.

- Competitive remuneration package, commensurate with experience.
- A generous CPD allowance with certificate study fully supported.
- Limited on call for SA only.

Veterinary Nurse

We require a full-time qualified veterinary nurse, to join a progressive, friendly and dedicated small animal practice in Portarlinton, Co Laois. No out-of-hours. The ideal candidate will enjoy working as part of a team, with a strong motivation to provide a first class service to our patients and clients. Excellent interpersonal skills and communication skills are essential.

- Competitive remuneration package, commensurate with experience.
- CPD strongly encouraged and supported.
