

Mixed Animal Vet – Strule Vets, Omagh

We are looking for a candidate with exceptional communication skills who strives to deliver first class client care. You must have a passion for diagnostic work ups and case ownership; a team player who will work well with our friendly, energetic team. Come and be part of an exciting new era for our practice.

Your previous experience in a similar role within a Mixed Animal practice environment will be instrumental in ensuring that our high quality of client care is maintained.

Your working week will be split between the two surgeries located in Omagh and Newtownstewart in County Tyrone. You will be working a 1:5 rota. There are two vets on call at all times, therefore there is always support available.

You will receive a comprehensive range of benefits including:-

- Up to 7 weeks holiday
- Fully funded CPD
- Competitivesalary and bonus scheme
- Pension scheme
- Sharesave scheme
- Staff discount scheme

Access to a range of flexible benefits to suit your needs – such as child care vouchers, subsidised gym membership and cycle to work scheme.
